soil-moisture-sensing-system 0.0.0

Open this page at https://stemax-tech.github.io/soil-moisture-sensing-system/ (https://stemax-tech.github.io/soil-moisture-sensing-system/)

Use as Extension

This repository can be added as an extension in MakeCode.

- open https://makecode.microbit.org/ (https://makecode.microbit.org/)
- click on **New Project**
- click on Extensions under the gearwheel menu
- search for https://github.com/stemax-tech/soil-moisture-sensingsystem (https://github.com/stemax-tech/soil-moisture-sensing-system) and import

Edit this project

To edit this repository in MakeCode.

- open https://makecode.microbit.org/ (https://makecode.microbit.org/)
- click on Import then click on Import URL
- paste https://github.com/stemax-tech/soil-moisture-sensing-system (https://github.com/stemax-tech/soil-moisture-sensing-system) and click import

Metadata (used for search, rendering)

for PXT/microbit

makeCodeRender("{{ site.makecode.home_url }}", "{{ site.github.owner_name }}/{{
site.github.repository_name }}");
